

Host a Virtual Meeting YOU Want to Attend!

Virtual Engagement Resource

The CSPDC has created a new, interactive resource to help you and your staff hone your presentation skills and effectively engage your virtual audience. Learn to professionally use virtual tools such as Zoom chat and whiteboard, and incorporate best practices into your meetings and presentations to help manage and reduce the effects of virtual fatigue. **This resource** can be used individually or presented to your organization's staff by the CSPDC.

**"In-person meetings require an agenda.
A virtual meeting - a well-produced, TV style
