

The Hampton Roads Planning District Commission would like to make you aware of this important public comment opportunity.

---

## **The Virginia Secretary of Natural Resources wants to hear from You!**

Have you taken the Virginia Secretary of Natural Resources - Coastal Resilience Master Plan Public Stakeholder survey yet? Make sure your voice is heard! Virginia cannot achieve this vision of coastal resilience without the participation and insight of coastal plain residents, localities, and stakeholders like YOU!

The Public Stakeholder Survey is intended to capture insight and feedback on local opinions on the project, specific flooding issues in communities, and outreach and engagement preferences.

Does your community flood frequently? Do you have ideas on how to reduce the impact of flooding? Do you prefer to communicate through Facebook, Twitter, or email?

Click here to take the Survey now and let the State know!<https://www.surveymonkey.com/r/VACRMP-Public>.

To learn more about the Coastal Resilience Master Plan and its development, as well as how to get involved and provide further input, please visit our website at <https://www.naturalresources.virginia.gov/initiatives/coastal-resilience-master-plan-progress/>.
