

Happy Holidays

As the year comes to a close, we want to take a moment to reflect and say thank you. 2025 was another year of meaningful progress made possible by the collaboration and partnerships that make Hampton Roads such a strong and connected region.

Happy Holidays from all of us at the HRPDC and HRTPO!

Working Together for 2026: Regional Legislative Priorities for Hampton Roads

As we look ahead to 2026, the HRPDC and HRTPO are pleased to share the 2026 Hampton Roads Regional Legislative Agenda, unanimously endorsed on behalf of our 17 cities and counties.

The agenda outlines the region's shared legislative priorities and position statements, reflecting the issues that matter most to Hampton Roads: transportation, flooding and resilience, housing, water quality, emergency preparedness, energy, trails, and the resources needed to support effective regional planning.

Together, these priorities represent a unified regional voice and a commitment to strengthening quality of life and economic opportunity across Hampton Roads. We invite you to review the full agenda and join us as we work with our state and federal partners to advance solutions that support a strong, resilient, and connected region.
