

The CSPDC Team is Behind You!

For over 50 years, the CSPDC has been providing planning services and technical assistance to its member jurisdictions. A staff of 16 is proud to provide resources such as the ones listed below to you and your community.

Grant Resource Guide:
Search an up-to-date listing of grants available to you and your project

Regional Facts & Figures:
A snap-shot of the CSPDC region & sub-region's people, jobs, and location

Regional Plans:
Search by interest category to see plans to benefit your community

Regional Data Center:
Search for important data regarding employment, people, and region

Economic Development Asset App:
Interactive map provides a visual aid to determine regional assets and information

FY2019 Year in Review:
Enjoy highlights from all of the projects we have worked on last year

In response to the COVID-19 outbreak, employees of the CSPDC have been teleworking from home. While we practice social distancing, the CSPDC is still working hard on community projects and services to benefit our region.
