

NONPROFIT RISK MANAGEMENT DURING THE COVID-19 PANDEMIC

Dear Colleagues,

We hope this message finds you well and able to continue meeting your important missions during this health crisis.

Risk Management . . . what an appropriate topic for these challenging times! Many of you will remember two of our most popular workshop presenters at last year's Virginia Volunteerism Conference: Ted Bilich and Linda Lopez. Ted and Linda presented on risk management for nonprofits and for volunteer programs. ***Since we had to cancel our conference this year, Ted and Linda have generously volunteered to present a special risk management webinar, especially focused on issues related to the pandemic, especially focused on issues related to the pandemic, next **Wednesday, April 8, 2020.*****

We hope you'll find the information helpful. Please pass this webinar invitation on to others and ***register soon to ensure your spot!***

Best regards,

The Office on Volunteerism and Community Services Team

Nonprofit Risk Management During the COVID-19 Pandemic

Join Risk Alternatives' founder and CEO, Ted Bilich, and director of operations, Linda Lenrow Lopez, for a FREE webinar at
1 p.m. EST, Wednesday, April 8, 2020.

Ted and Linda will be responding to questions posed by nonprofits over the past two weeks and identifying resources to help you maintain focus and meet your mission in these challenging times. You may also submit questions to questions@riskalts.com.

Register in advance for this webinar:

https://zoom.us/webinar/register/WN_dGhTVbB7RMWoeKhCyYHbqA

After registering, you will receive a confirmation email containing information about joining the webinar.

Additional Resources

If you are looking for helpful Coronavirus information prior to the webinar, here are some links to the Risk Alternatives website. We have been updating material at least daily to help nonprofits sift through the constant and changing barrage of COVID-19 information. Of particular note, please review the COVID-19 Response Checklist to see which actions you can take now to make a difference in your organization in these unprecedented times.
