Next Meeting:

Thursday, October 17, 2024 at 12:30pm
Boardroom A/B of the Regional Building

Outmigration in Hampton Roads

The Hampton Roads Executive Roundtable recently commissioned a study by Fahrenheit Advisors to analyze outmigration patterns in Hampton Roads. The purpose of the study was

to better understand what can be done to retain and attract workforce talent. Ms. Nancy Grden, President & CEO of the Roundtable, shared the key findings of the Fahrenheit analysis with the Commission.

Population Growth Trends

Ms. Nikki Johnson presented slides depicting current population growth trends with features on world population growth rate, fertility rate, and state and regional population trends. Ms. Johnson also compared Hampton Roads' population growth rate to other comparable cities around the United States.
